## Out For Business

THIS is the time of year when trade is dull and there is not much buying and selling, but we do not know dull days. Our goods and our prices are two things that help to keep our trade up. Our goods are the very best that can be bought at all, and our prices are as low as these same goods can be legitimately sold at.

OUR entire line is complete—no broken lots—and we can supply your wants at all times, in Clothing, Shoes, Hats, Dry Goods, Groceries, Hardware, Furniture, Buggies, Wagons, etc., etc., in fact anything you need can be procured here and at the right prices.

COME to see us, and if you have never traded with us, you will find that we can sell you better goods for less money than you have been paying.

Thanking our friends and customers for past favors, we hope to merit a continuance of the same.
